What's it about?

Playtime groups run from Monday to Friday mornings from 10am-12.00pm and Thursday afternoon from 12:30pm-2:30pm, during school terms. Children mostly come with their mums but sometimes with their dads or grandparents.

Parents are asked to help with the cleaning on average once every 3 weeks. The fees cover all food, craft & equipment. We also sponsor a child through Baptist World Aid.

Playtime is a safe place where children can play, make friends and learn social skills. Children enjoy various activities such as story telling, craft, painting, music and playing.

Playtime is of great benefit to new mothers because they can usually relax and enjoy their children in our safe environment while they gain insights from the leaders and more experienced Mums in the group.

Parents enjoy chatting with each other and developing friendships - sometimes lasting a lifetime!

Morning tea is supplied.

Please use this space if you would like to give us any other information ...
